Be specific and detailed in the definition of each term or factor.

- 1 This is a sampling only and does not include all of the issues, policies and options to be considered.
- 2 Please create your own options - the 10 or 15 most prevalent, or in your estimation, important issues for prioritizing.
- 3 Use the Priority Assistant "Template 15" and fill in the options with **your** choices.
- 4 If a person is brave (or maybe would like to post an interesting youtube video) the Priority Assistant can be used in a group setting to stimulate a political discussion.
- 5 The author is not responsible for damages from brawls, fighting, psychological or emotional problems that may surface when discussing political priorities and these options in groups or with others.
